## 2024 WEEKEND WORK OPPORTUNITIES

We have been planning our work weekends based upon the weather but realize that it would be helpful to have some dates in advance that you might be able to plan to participate. With that in mind, here are some weekend dates that we are planning to have work dates:

- **March 9**
- **March 16**
- **April 6**
- **May 11**

We will still have other work dates, but these are some dates that you can plan to participate in.

## 2024 WEEK-LONG (WORK & WITNESS STYLE) DATES

We've learned we can get a lot of work done when we have a committed team over a weeklong period. With that in mind, we are planning three week-long work weeks to try and finish the 4 cabins. For those willing to commit, we will provide a place to stay on the camp for free. All you have to do is provide breakfast and dinner, we'll take care of lunch. Below are the week-long dates:

- **April 23 - 27**
- **May 20 - 25**
- **June 3 - 8**

If you or your group are interested in participating in one of these weeks, please let me know as soon as you can so we can reserve your lodging and make plans. We will share with you where we are in the construction process prior to your week so you can be prepared for the work. If interested in taking part in one of the weeks, please email Pastor Rob at [rpaugh@shepnaz.org](mailto:rpaugh@shepnaz.org)
